

April 2017

SECTION 1: Identification of the substance/mixture and oft the company/undertaking

1.1. Product identifier

Name of the Product: FiberCombi

1.2. Relevant identified uses of the substance or mixture

Recommended use: Dry hygiene powder for the use in stables

1.3. Details of the supplier of the safety data sheet

Destek ApS

Orebovej 29

DK-4293 Dianalund

Denmark

Tel: +45 33 13 11 25 Mail: info@destek.dk Web: www.destek.dk

1.4. Emergency telephone number

Supplier Destek ApS

Tel. +45 33 13 11 25

Opening hours: Mo. – Do. 8.00 – 16.00, Fr. 8.00 – 15.30

SECTION 2: Hazards Identification

2.1. Classification of the substance or mixture

The product is not classified according to applicable regulations.

2.2. Label elements None.

2.3. Other hazards None.

SECTION 3: Composition/information on ingredients

3.2. Mixtures No ingredients with required reporting

SECTION 4: First aid measures

4.1. Description of first aid measures

Inhalation: Seek fresh air. By continuing discomfort seek medical attention.

Skin contact: Brush the powder away and rinse with water. By continuing discomfort seek medical

attention.

Eye contact: Use plenty of water to rinse. Remove contact lenses. By continuing discomfort seek medical

attention.

Inhalation: Rinse with water. Drink plenty of water. By continuing discomfort seek medical attention.

Generally: Show this safety data sheet or the label to the medical physician.

4.2. Most important symptoms and effects, both acute and delayed

The product can as all other types of powder cause dust and therefore cause coughing, sneezing or cold like symptoms in the nose if it enters the upper airways during breathing in. The dust can irritate the eyes, similar like a grain of sand that has come into the eye.

4.3. Indication of any immediate medical attention and special treatment needed

Not relevant.

SECTION 5: Firefighting measures

5.1. Extinguishing media The product itself is not flammable. Choose the extinguishing media according to the surrounding fire.

5.2. Special hazards arising from the substance or mixture

Not applicable.

5.3. Advice for firefighters No specific for the product.

SECTION 6: Accidental release measure

6.1. Personal precautions, protective equipment and emergency procedures

Use slip resistant shoes. Otherwise use personal safety equipment according to section 8.

6.2. Environmental precautions

Not applicable.

6.3. Methods and material for containment and cleaning up

Remove as much as possible of the material with a shovel. Clean afterwards with water. If possible with a high-pressure cleaner.

6.4. Reference to other sections

See also sections 12 and 13.

SECTION 7: Handling and storage

7.1. Precautions for safe handling

Generally, ensure a good hygiene while handling the product. Provide proper ventilation. Provide access to water and the possibility to rinse eyes. Avoid spillage.

7.2. Conditions for safe storage, including any incompatibilities

There are no special precautions regarding storage. The product should be stored in a dry place and in sealed packaging.

7.3. Specific end use(s)

None.

SECTION 8: Exposure controls/personal protection

8.1. Control parameters

Work-related exposure conditions: Contains no reportable substances.

8.2. Exposure controls

Personal safety equipment:

Respiratory protection: In case of dust and insufficient ventilation, use protective mask with a P2-filter.

Skin protection: Wear gloves.

Eye protection: In case of dust use eye protection.

Regulations to limit exposure to the environment:

Ensure local regulations are followed.

SECTION 9: Physical and chemical properties

9.1. Information on basic physical and chemical properties

Appearance: Powder/granulate Colour: Grey/White Odour: Modest Odour threshold: No information

pH: ~ 8,0 Melting point: >1200°C Freezing point: No information Initial boiling point and boiling range: No information Flash point: No information Evaporation rate: No information Flammability (solid material, gas): No information Upper/lower flammability: No information Vapour pressure: No information Vapour density: No information Relative density: No information Solubility(ies): Difficultly soluble Partition coefficient, n-Octanol/Water: No information No information Auto-ignition temperature: Decomposition temperature: No information

Viscosity No information Explosive properties: None None

Oxidising properties: Mass density: 1,250

9.2. Other information None

SECTION 10: Stability and reactivity

10.1. Reactivity None.

10.2. Chemical stability

The product is stable if the instructions of the manufacturer are followed.

10.3. Possibility of hazardous reactions

No information.

10.4. Conditions to avoid

No information

10.5. Incompatible materials

None

10.6. Hazardous decomposition products

None, if stored according to recommendations.

SECTION 11: Toxicological information

11.1. Information on toxicological effects

Acute toxicity - oral: LD50 5000 mg/kg based on product data

Acute toxicity – dermal:

Acute toxicity – inhalatively:

Skin corrosion/irritation:

No information
No information

Serious eye damage/irritation: Can irritate mechanically

Respiratory or skin sensitisation: No information Germ cell mutagenicity: No information Carcinogenicity: No information Reproductive toxicity: No information Summary of evaluation of the CMR properties: No information No information STOT-single exposure: STOT-repeated exposure: No information No information Aspiration hazard:

SECTION 12: Ecological information

12.1. Toxicity No information

12.2. Persistence and degradability

No information

12.3. Bio accumulative potential

No information

12.4. Mobility in soil

No information

12.5. Results of PBT- and vPvB assessment

No information

12.6. Other adverse effects

No information

SECTION 13: Disposal considerations

13.1. Waste treatment methods

Can be disposed after local regulations. EAK 01.01.02.

SECTION 14: Transport information

14.1. UN-Number Not applicable

14.2. UN-proper shipping name Not applicable

14.3. Transport hazard class(es) Not applicable

14.4. Packing group Not applicable

14.5. Environmental hazards Not applicable

14.6. Special precautions for user Not applicable

14.7. Transport in bulk according to ANNEX II of MARPOL73/78 and the IBC-Code

Not applicable

SECTION 15: Regulatory information

15.1. Safety, health and environmental regulations/legislation specific for the substance or mixture

No information

15.2. Chemical safety assessment Not applicable

SECTION 16: Other information

Branch: Agriculture. Industry

Packing: Variable

Important notifications:

Destek ApS requests the customers or receivers of this safety data sheet to read it thoroughly and if necessary to contact the according expertise to understand the information given in this safety data sheet and any possible hazard that might concern this product. All information is given in good faith and is assumed to be correct at the given date. There is no guarantee issued, expressed, or implied. The legal regulations can change and can differ from place to place. It is the responsibility of the customer or user to observe the national or local regulations. The information that is stated in this safety data sheet does only apply for this product as it is delivered. Because the work-conditions of the users are out of the control of the manufacturer it is the responsibility of the customer or user to take the necessary safety precaution measures to apply this product in a safe way. Because of the number of information sources, like manufacturer specific safety data sheets we are not and cannot be held responsible for safety data sheets that are coming from other sources than us. If the safety data sheet comes from a different source, or if you are not sure that the safety data sheet is the most recent updated, please contact us for the most recent issue.
